GENERAL INSTRUCTIONS ON PUBLIC OFFICIAL'S STATEMENT

The Civilian Health and Medical Program of the Uniformed Service (CHAMPUS) is a program of medical benefits provided under public law to a specified category of individuals. CHAMPUS benefits may be authorized when the required services are not available from public institutions or agencies. The Public Official's Statement (POS) documents the availability of certain publicly funded services. These services may be available through the local public school system or Title V of the Social Security Act funded programs such as Crippled Children's Services for children and services for adults may be available through the Public Health Department/Department of Vocational Rehabilitation.

The POS must be submitted along with the Program for Persons with Disabilities (PFPWD) Application, DD Form 2532 (formerly the CHAMPUS Form 190a), to the appropriate fiscal intermediary before benefits may be authorized. The POS is also required for some benefits under the Basic Program, such as speech therapy and educational services in a residential treatment center. You may wish to contact your local Health Benefits Advisor (HBA) at the nearest Military Treatment Facility for details.

Although similar in structure, CHAMPUS is not an insurance program nor is CHAMPUS subject to state regulatory bodies, agencies, or laws that control insurance business. CHAMPUS is first payor only to Medicaid/Medi-Cal (Title XIX of the Social Security Act).

If you need additional information concerning CHAMPUS, please contact your local HBA or fiscal intermediary.
